

Sõidukid, millele on saadaval kiirushoidik või -piiraja

Vehicles for which a cruise control or limiter is available

Kui teie autot pole nimekirjas, on sageli siiski võimalik kiirushoidik või -piiraja paigaldada. Paigalduse võimalikkuse osas võtke julgelt meiega ühendust.

If your car is not in the list, it is often still possible to install a cruise control or limiter. Feel free to contact us about the suitability for your car.
